GOVERNOR'S OFFICE

U.S. NAVAL HOME
Philadelphia, Pa.

18 March 1946.

To: Office of Industrial Relations, Navy Department.

Subj: Schedules A and B of the Civil Service Rules, revision of.

Ref: (a) Your ltr OIR-112:lp dated 15 March 1946.

1. In reply to reference (a) the following comment and a suggested change is made in regard to Section V, Paragraph 4 of the subject Rules:

- (a) The Schedule of Wages for Civil Employees of the Navy Department at Miscellaneous Naval Activities, Revised to 15 October 1945, List "C", provides under Naval Home Service for "Beneficiary Attendant", with pay ranging from \$1200. to \$1500. per annum. A vacancy in this position would be filled by certification of the Labor Board, U.S. Naval Shipyard, Naval Base Station, Philadelphia 12, Pa.
- (b) The approved complement of orderly positions does not contain one of "Attendant", and in order to avoid any possible confusion as between the classified position of Beneficiary Attendant under Group II and the orderly positions filled by appointment of Beneficiaries under the "Excepted Group", it is suggested that the position of "Attendant" be stricken from the exception so that Sec V, Par. 4, of Schedule B will read:-

"Positions of orderly at the United States Naval Home when filled by the appointment of Beneficiaries of the Home".

F. A. TOOD,
Governor.
